Excess Casualty – High Excess Attachment Points

Fireman's Fund[®]
Insurance Company

A company of **Allianz** 

For over 50 years, Fireman's Fund has been a key market for high excess liability attachments, providing capacity and an extra layer of protection against skyrocketing liability verdicts that in today's contentious legal environment can reach hundreds of millions of dollars. Your clients will be covered by a company that is consistently rated among the top insurance carriers by A.M. Best, Standard & Poor's and Moody's. All this topped by dedicated excess underwriters and claims specialists providing custom solutions to meet the specific needs of your clients.

Broad Appetite and Flexibility

Our high excess liability appetite is very broad. We can write over 700 SIC codes at some attachment point and we can offer up to \$50 million in limits capacity. Underwriting selection is based on each account's characteristics and driven by attachment point and limits offered. We utilize our expertise to deliver flexibility and responsiveness to you and your clients. Our appetite includes:

- Residential and Non-residential Real Estate
- Manufacturing
- Travel and Leisure
- Hotels
- Construction
- Retail
- Restaurants
- Business Services
- Wholesalers/Distributors
- Food and Related
- Transportation
- Educational Institutions
- Financial Institutions

The types of risks that are out of our appetite:

- Tobacco and Related Products
- Pharmaceuticals and Invasive Products
- Aircraft and Satellite Products
- Energy and Petrochemical
- Railroads
- Firearms and Ammunitions
- Nursing Homes
- Critical Auto Parts Manufacturing
- Mines

Please contact your local excess underwriter if you have a specific question about our appetite, products or services.
