- Flexibility to add or delete coverages to accommodate changing circumstances
- Choice of payment option that's right for you
- Immediate, around the clock claim service

BEGIN WITH BASIC PROTECTION

Every Travelers Home policy includes standard coverages which can be used to create a customized product for your individual situation. You automatically receive coverage for:

- Your home and other buildings on your property
- Contents of your home, including furniture, clothing, appliances and other personal belongings

This basic coverage also provides:

- Additional living expenses if you must move out during certain repairs
- Liability coverage for you and your household family members if someone is accidentally injured or their property is damaged

ADDITIONAL COVERAGES TO CUSTOMIZE YOUR PROTECTION

But your circumstances may warrant broader protection. With Travelers Home your agent can create a customized proposal with additional coverages, including:

Additional Replacement Cost Protection

In the event of covered total loss, this coverage will protect you in case you need more to rebuild your home – even if the costs are higher than your policy's basic coverage limits.

Replacement Cost Contents

Eliminates depreciation on the contents of your home.

Identity Theft Protection

Gives you access to a consumer fraud specialist who will help you reclaim your identity. It also will reimburse expenses associated with clearing your name and financial record.

Enhanced Home Package

Bundles together our most popular optional coverages to broaden your basic policy.

SAVINGS WITH BUILT-IN CREDITS AND DISCOUNTS

With Travelers Home, you'll receive several discounts already built into the product that can be further enhanced by such factors as:

- Having purchased a home within the last 12 months
- Having a newer home
- Having safety/security devices
